The services of Miss Uhlemann having been dispensed with by Pro No 12435-36 / Ed 384 dated 17th May 1897 the question of her gratuity has now to be considered

Her services in the Mysore State extended from 1st Augt 1896 to 11th Decr 1896 (inclusive) with a break of 5 months 12 days in 1893

27

	Yrs	m	Days
From 1/8/96 to 11/12/96 —	10	4	11
Deduct-break —		5	12
	9	10	29

The points for consideration are —

(1) The condonation of the break of 5m & 12 days, which may be treated sanctioned as a special case under Art 275 (1) of the Service Regns

I think this may be done — Q

(2) The Maharani Girls School, Mysore having been only an Aided Institution upto 31st March/91 Miss Uhlemann's services in that School from 1st Augt 1896 upto March 1891 is recommended to be treated as pen reasonable service under Govt

As observed by Mr Bhore it was virtually a Govt institution — The service rendered upto 31/3/91 may therefore in my opinion be counted as Govt service. The case of this School is different from that of other aided Schools (Art 237) under Govt. This however is an important question & would affect not only Miss Uhlemann but also several other teachers of

Art 27 of 1891 the word 'pupil' — a pupil who is not a pupil, therefore the service did not count under Art 27 — tendency to make too many exceptions and exceptional cases — the word 'pupil' is used in the sense of contemplated as a pupil

Q 13/7/97

On this point, Enquiry was made whether any of the masters of the Maharanee Girls School who were provided for elsewhere on its conversion into a Govt institution were allowed to count their services in that School towards pension Mr Bhabha says in reply that that point has not yet been settled

If the service rendered in the Maharanee Girls School during the time it was merely an Aided Institution be excluded, the service for which gratuity is payable will be as follows. —

From [illegible] to 31st Jan
1/4/91 to 11/12/96 — 5-8-11
Deduct break — " 5-12
5-2-29

For this service, Miss Maharanee will get a ~~pen~~ gratuity of 5 months pay (75×5) = 375 Rs

If the whole service in the Maharanee Girls School is counted then the gratuity will amount to 9 months pay = 675 Rs

The Services of Miss Uhlemann Kindergarten Mistress of the Bangalore Girls Schools, were dispensed with and consequently a monthly provision of Rs 75/ was available The remaining portion of Miss Rajagopals pay for about a month in 1896-97 was met from the General Savings in the Edn Budget One provision has been made thereof in the current year budget as per orders in Govt Memo No 11 -

~~Govt time~~ Govt time before the employment of Miss Rajagopal, the committee members had resigned and the Schools were left under the direct management of the Education Deptt Co, they were not consulted about the abolishment in any how -

This is a recurring charge and does not come under the sanctioned grades -

I submit the question of Miss Susan Rayappah's appointment as Lady Supt. of the Girls School in Bangalore might be brought up before the Council. The appt creates a monthly charge of 200 Rs on the State revenues and is more important and valuable than those of the Educational Officers of C class II - those called upon are required to be brought before the Council for the Resolution vide Proclamation of 20th July 1875 There was moreover no provision at all for this appt in the Budget of the year 1896 97 during which this appt was made I consider this procedure Ultra Vires of the Council Rules, and beg that the question may once for all be decided so that there may be no misunderstanding on the subject hereafter

I am not convinced of the necessity for this appt

ment & on that ground I do not feel called upon to say anything till the question raised above is decided - I may take this opportunity to state also that the Committees of Management in connection with these schools ought not to have been allowed to die out

SIR,

I have the honour to forward herewith a Copy of a letter from Miss C. Uhlemann, Kindergarten Mistress of the two Government Girls' Schools in Bangalore, dated 2nd July 1896 and bearing this office Register No 234/76, and to recommend that, as prayed for by her the break in her service from the 16th April 1893 to the 27th September 1893 may be kindly condoned by Government, and the period of the break treated as leave without pay. Miss Uhlemann served as Kindergarten and Drawing Mistress of the Maharani's School from 1st August 1886 to 15th April 1893, on which date she

resigned the service somewhat hastily with the idea of returning to Germany. But, on her return to India in September of the same year, she was reemployed as kindergarten and drawing mistress of the two Government Girls' Schools in Bangalore from the 28th September 1893

3 The Committees suggestion in their recommendation dated 28th July 1894 that a well trained Kindergarten teacher (male or female) with knowledge of elementary drawing) who knows English and is quite conversant with Kanarese and one or two other languages should be appointed, was impracticable for the simple reason that no such teacher could be found Nor was their suggestion that one or two promising teachers should be trained for the purpose at Madras or elsewhere on reasonable allowance more practicable for there is no training school anywhere solely for Kindergarten teaching in India as there are in England and Europe, Kindergarten teaching forming but a small course of training Schools in India Moreover in the Normal School established at Mysore Kindergarten methods are a part of the curriculum, and

I wanted to see how far teachers trained there could successfully teach Kindergarten lessons

The Committee after passing the resolution of June 1894 made no further reference to me on the subject, and I Verbally confirmed Miss Uhlemann by allowing her to continue to serve after her period of Six months probation was over on the 28th March 1894

SIR,

I have the honour to forward herewith an application from Miss Susan Rayagopaul of Madras for an appointment as Lady Superintendent of the Bangalore Government Girls' Schools or any other schools She was trained in the Presidency Training School for Mistresses, Madras, and was for a long time Senior Assistant Mistress of that school from March 1871 In 1879 she was sent to England by Government for specially studying Kindergarten methods and object lesson teaching in Infant schools On her return she was appointed Acting Superintendent of the Training School and subsequently Sub-Inspectress of Girls' Schools of the Tanjore, Trichinopoly,

Madura and Immorally Protracted He re-
signed the last post on account of ill
health and then took up the Superintend-
entship of seven schools in connection
with the Free Church of Scotland Mission
The Hon'ble Dr D Duncan whom I con-
-sulted about Miss Rayagopaul's quali-
fications speaks highly of her. He says
"She understands school work thoroughly
and has a bright inspiriting way which
can not fail to put life into both
teachers and pupils" I enclose his D O
letter Miss Rayagopaul desires to have
employment in the Mysore State as the
Madras climate does not agree with
her.

2 I have great pleasure in strongly
recommending Miss Rayagopaul's em-
ployment as Lady Superintendent of the
Government Kannada Girls' School and
Arya Balika Pathasala, Bangalore
The number on the roll of the two
schools together is nearly 700. Miss
Rayagopaul knows Tamil and Telugu
and promises to learn up Kannada
soon. Her services in regulating
and superintending the work of
Infant Classes will be of great value,
and as the staffs of the two schools
consist of male teachers, her appoint-
ment as Lady Superintendent of
both schools will add greatly to the

efficiency and success of the schools I would recommend that she be paid Rs 175 rising to Rs 200 in five years. I have no funds in the budget to be spared for her pay, except the pay of Rs 70 of Miss Uhlemann, Kindergarten mistress of the same schools Without obtaining leave she gave over charge on the 12th December last, because she heard that her mother was dangerously ill in Germany and then on the 31st December applied for three months' privilege leave from the 12th December Even if this leave be granted it is not possible for her to return at the expiration of her leave Her services will have to be dispensed with There is no comparison between Miss Rajagopaul and Miss Uhlemann The former has published several Kindergarten books in Tamil which may be translated into Kannada

SIR,

With reference to your Docket Camp No 479 dated 19th March 1897, I have the honour to forward for perusal and Kindl return a letter dated 12th March 1897 from Miss Uhlemann from Dresden asking for three months' further leave without pay, as well as her original application for leave dated 31st December 1896

Vide S no 7 in file B below

2 In my letter No 712/328 dated 4th March 1897 I have stated in connection with my recommendation for the appointment of Miss S Rajagopaul as Lady Superintendent of the two Government Girls' Schools in Bangalore that Miss Uhlemann's services will have

to be dispensed with But her letter from Dresden shows that her old mother was really very ill, and that she left suddenly on that account from a desire to see her mother before she died As a lady ignorant of the rules of Government, Miss Uhlemann deserves compassionate treatment. I would therefore submit two proposals in behalf of Miss Uhlemann If Miss Rajagopaul is not appointed Lady Superintendent of the Bangalore Schools as proposed in my letter No 7112/3281 I would give Miss Uhlemann leave without pay from the 12th December 1896, and allow her to return to duty In this case I should be glad if the Government would be pleased to condone the break in her service as recommended in my letter No 636/49 of the 22nd July 1896 I think her influence in the Girls' Schools is good, and with the help of a proper supply of apparatus and materials she is likely to do good work But if Miss Rajagopaul is appointed Lady Superintendent of the two schools, I would recommend

X Vide S no 4 in file B below

that Government may be pleased to abolish her appointment, as Miss Rajagopaul with the help of one or more Assistants will do her work giving at the same time to Miss Uhlemann as a special case one months pay for every year of service both in the Maharani's School and the Bangalore Girls' Schools Her service in the former school extended from 1st August 1886 to 15th April 1893, and in the latter schools from 27th September 1893 to 11th December 1896 I request that Government may be pleased to show her special consideration I should like to acquaint her with the decision of Government before she leaves Germany if possible, as the six months' leave she applies for will expire on the 11th June next But I am afraid she will probably leave Germany to return to India about the middle of May

I have the honor to be,
Sir
Your most obedient servant

With reference to para 2 of Order No 12435-6 / Ed 384 dated 17 May 1897 I have the honour to enclose a history of Miss Uhlemann's services in the Maharanis School and the Government Girls' Schools in Bangalore up to 31st March 1891 the Maharani's School was a Grant-in-aid school it being converted into a Government school from the 1st April 1891 The school was virtually however a Government Institution before that date by far the greater portion of its cost being paid by Government I would recommend therefore that Government may be pleased to count the whole of the period of Miss Uhlemann's service in the Maharani's school towards her gratuity I also recommend that Government may be pleased to condone the break in her service from 16th April 1893 to 26th September 1893 and treat this period of 5 months and 11 days as leave without pay.
